

Dear Supplier and Exhibitor:

On behalf of the Rock River Valley Section of IEEE, we would like to extend an invitation to participate in the 8th annual **EMC seminar on Tuesday, June 11, 2019 in Rockford, Illinois.**

EMC Circuit Design for the Real-World

Featuring

Dr. Bruce Archambeault

IBM Distinguished Engineer at IBM in Research Triangle Park, NC

For registration site: [Register Now https://goo.gl/Rm6iuk](https://goo.gl/Rm6iuk)

For seminar information visit: <http://ieee.org/rrvs>

The 2019 EMC Seminar & Exhibition is designed to provide the local engineering, supplier, and professional community a high value technical education experience with many opportunities for interaction with each other and the vendor/sponsor communities. The IEEE Rock River Valley Section Electromagnetic Compatibility (EMC) Chapter has organized this event for the last 8 years and it has been well received by participants and sponsors alike.

The seminar provides a full day of technical presentation with scheduled breaks, including an organized lunch. At the conclusion of the presentation, a social hour has been arranged to allow participants, engineers, managers, and exhibitors a last opportunity to interact, network, review, and enjoy some refreshments.

The event will be held at **Giovanni's Restaurant and Conference Center, Rockford, Illinois;** just over one hour west from Chicago's O'Hare Airport and with several hotels located within easy walking distance of the Conference Center (information to follow).

Please review the information for sponsorship and rates on the following pages.

In anticipation, we thank you for your participation in this seminar. It is because of your generous support that we can offer these high quality educational programs to technical professionals in the local community and to support several other science and technology activities directed towards the next generation of technical professionals - grade, middle, and high school students.

Again, we look forward to your participation in this year's EMC seminar.

Sincerely,
Members of the EMC Planning Committee
IEEE Rock River Valley Section

2019 EMC Seminar Exhibitor Terms and Conditions:

- 1) The Venue host and the 2019 EMC Seminar organizing committee are not responsible for damage or loss of vendor table top displays or any items left in the hotel's function rooms.
- 2) Hotel Information: There are several Hotels within close proximity of the venue. Please make hotel reservations by contacting hotel directly. *Nearby Hotels include, Marriott Courtyard, (800) 321-2211 or (815) 397-6222; Holiday Inn, (815) 398-2200; Radisson Hotel, (815) 226-2100; and Hilton Garden Inn, (815) 229-3322.*
- 3) Exhibitor space is defined as a "Table Top" show. Therefore, display material is limited to what may fit on the table. No equipment may be displayed on the floor near the table. Signage is limited to that which is freestanding on the table. The tables can support 60 pounds maximum weight. No signage may be posted to the walls.
- 4) Exhibitors may purchase more than one Table Top display.
- 5) Table Top Registration fee include one representative. Exhibitors may bring more than one representative. The cost of each additional representative is **\$75.00**.
- 6) **Packages and Deliveries:** Packages for meetings may be shipped to the Giovanni's Restaurant & Convention Center and received between June 4, 2019 and June 10, 2019. Giovanni's Restaurant & Convention Center will only accept pre-paid packages. Any packages delivered C.O.D. will be refused and notification will not be made by Giovanni's to the shipper.

Please include the following information on each package:

- Return address
- Name of group as listed on contract (IEEE)
- Date of program June 11, 2019
- Group contact (Jitendra Solanki)
- Name of person that will claim package(s)

*** All Packages must have arrangements made to be picked up following the event. Giovanni's will not monitor the pickup of the packages.

Ship to: Giovanni's Restaurant & Convention Center
610Bell School Road
Rockford, IL 61107

- 7) The EMC Seminar organizing committee reserves the right to change or cancel the program at any time. In the event the program is canceled, full refunds of registration fees will be given.
- 8) No refunds will be given to vendors who cancel their participation after May 30, 2019.

- Space availability for vendor table top displays is limited.
- Space will be allocated in order received until space is no longer available.
- Ads will be printed in color.
- Please submit your Ad by May 24, 2019

Ads, in pdf format, should be forwarded to: ieeerrvs@gmail.com

Ad must fit within these Dimensions:

Full Page Ad: 11 inches tall by 8.00 inches wide

How Your Sponsorship Makes a Difference in Our Community.....

The Rock River Valley Section (RRVS) of the IEEE actively promotes profession development of engineers within local communities. We support and partner with various educational and not-for-profit organizations that promote STEM programs.

The IEEE RRVS Executive Committee pursues the following activities in the local community to accomplish these roles:

- Active involvement and support of educational opportunities for middle school to high school students as part of US First and First Lego League Robotics Teams. Additional schools are being added to provide funding and mentors to increase visibility of the engineering profession.
- Promoting Science and Engineering programs to benefit grade and middle school students. For example, IEEE contributed funds to provide Science and Engineering kits for the Discovery Center Museum.
- Provide networking and leadership development opportunities as members volunteer in various capacities to lead events, exchange ideas and to communicate ways to improve our careers as working engineers.
- Active involvement and support of IEEE – Students Chapter – Northern Illinois University and Rock Valley College Activities.
