

Power and Energy Quiz

IEEE PES Singapore Chapter

A technical quiz via Zoom was conducted that focused on the basics of power and energy sector on 28th May 2020 by the IEEE PES Singapore Chapter in association with Newcastle University Singapore. A short presentation of IEEE PES and the importance of celebrating IEEE PES day was also conducted before the technical quiz. A total of 48 third year Engineering students from New Castle University, Singapore participated in the technical quiz. Out of the 48 students, the top three students (Wang GuoQuan, Daryl Haw Choon Kiat, Chan Jun Yang Bryan) who scored high were given e-certificates, as a part of the IEEE PES DAY celebration.

The flyer features a green background with white and black text. In the top left corner is the IEEE PES logo with the text 'Power & Energy Society®'. In the top right corner is the Newcastle University crest and name. The center features a large circular logo with a power button symbol and the text 'IEEE PES DAY 2020' and 'More Power to the Future'. Below this, the main title 'POWER AND ENERGY QUIZ' is written in large white letters, followed by 'Celebrating IEEE PES DAY 2020 @ Newcastle University in Singapore' in black. At the bottom, the date and time '28 May 2020 04:00 pm via Zoom' are listed, along with the website 'ncl.ac.uk'.
