FUTURE IEEE HOUSTON SECTION HOLIDAY CELEBRATION: KEYNOTE SANDRA L. "CANDY" ROBINSON

**Registration Highly Recommended**

Tis is the Season for IEEE, EEE, EEE, and IEEE Houston Section to invite its members, future members, family, and guests to our Holiday Celebration meeting on Thursday, December 7, 2017. This year's meeting will be held at the United Way of Greater Houston facility. A special door prize will be given to the best ugly sweater winner.

We will be taking time out to say thank you to our Corporate partners that have supported the IEEE Houston Section Societies and Communities in a number of volunteer and community outreach activities. This year we are thankful to:

- Aramco Services Company
- CenterPoint Energy
- Jacobs Engineering

Tis years holiday meal will be catered by Peli Peli.

Peli Peli’s cuisine, known as South African Fusion, which features authentic South African delicacies along with American steak, chicken and seafood favorites prepared by Chef Paul Friedman’s South African style. This style includes marinades, seasoning, and a touch of Portuguese and Asian influences.

- As seen on the Food Network and CNBC’s Restaurant Startup
- Rated Top 10 in Houston on TripAdvisor and Yelp
- Best Restaurant Winner - 2017 Menus of Houston Press
- 2017 People’s Choice Award Winner - Greater Houston Restaurant Association

**DATE AND TIME**

Date: 29 November 2018
Time: 12:00 PM to 2:00 PM
All times are US/Central

**LOCATION**

United Way - Greater Houston
50 Waugh Dr
Houston, Texas
United States 77007

**CONTACT**

Email event contact
https://meetings vita.ites. org

**Admission**

Fee applies
Starts 29 November 2017
2:00 PM
Ends 29 November 2018
11:55 PM
All times are US/Central

**Program Overview**

We are affected by threat environments in which we operate. In order to be a relevant actor in global security, a nation must build and maintain the necessary capability in Air Power. The F-35 redlines the multi-mission aircraft. The features and current status of the fighter will be given to and beyond.

**Biography:**

Candy Robinson is currently a Software Engineer Manager for Lockheed Martin, assigned to the F-35 program. She worked as a design and software engineer for Lawrence Livermore National Laboratory, the Superconducting Super Collider Laboratory, and for the Boeing Company. She has published papers at the IEEE Nuclear Science Symposium and for the ANS National Convention. She earned a BSEE degree from UT Austin, an MSEE degree from UCDavis, an MBA in Engineering and Technology Management. She is a member of the Fort Worth IEEE Section, and is IEEE-USA President-Elect, to be President in 2018.
