You must be signed in to view your ballots. Click on Voting to view the list of ballots on your Voting Dashboard.
Once you have signed in, active elections will be shown. Click on “Click Here to Vote” or go to Ballots and click on “Vote” to open the online ballot and make your choices.
We did not find any ballots for you.

Please ensure that you are allowed to vote based on your member grade. For example, only members in the following grades are eligible to vote in section officer elections: Fellow, Graduate Student Member, Honorary Member, Life Fellow, Life Member, Life Senior Member, Member, Senior Member.

Please send an email to vtools-voting@ieee.org if your grade changes to one of the above prior to the end of the election, or if none of the above applies and you need further assistance.

Thank you,
IEEE vTools.Voting team
On the Voting Dashboard, click on "Vote" to open the online ballot and make your choices.

Any ballots available to you will be shown. You will see ballot’s name, start and end dates of the election, IEEE organizational unit conducting the election, and your voting status.

If you have any questions regarding the election, click on “Contact Election Manager” to send an email to the person managing for the election.

If you are experiencing technical difficulties, please copy vtools@ieee.org on your email.
Click on candidate name to view the candidate biography and statement.

You can vote by clicking on the checkbox next to the candidate’s name. If your election manager allowed for write-in candidates, enter the name in the box provided. Please note that not every election will have “write-in” candidates.

Click on Vote to submit choices.
If you are ready to finalize your ballot, click on “Complete Ballot”.

Click **Edit Choices** to change the candidates selected.
